

**REMARKS**

Applicants have amended the claims in order to correct a clerical error and to clarify claim 1 as supported by the specification at page 3. Claims 15 and 16 have also been amended to correct obvious typographical errors. Also, an Abstract of the Disclosure has been added to the application.

Applicants are submitting herewith a copy of the Search Report which issued on International Application No. PCT/KR03/02336, of which the present application is the U.S. national phase. All of the publications cited in the International Search Report are listed on the attached Form PTO-1449. It is Applicants' understanding that, under the procedures of the PCT, copies of the cited publications will have been supplied to the U.S. Patent Office by the International Bureau. However, the Examiner is invited to contact the undersigned attorney if additional copies are necessary or would facilitate examination of the present application.

Otherwise, the Examiner is respectfully requested to return an initialed and dated copy of the attached Form PTO-1449 to confirm that all publications listed thereon have been considered and made officially of record in the file of this application.

Applicants understand that, under the procedures of the PCT, a copy of each of the priority documents (KR 10-2002-0071745, filed November 18, 2002; KR 10-2002-0076437, filed November 30, 2002 and KR 10-2003-0076500, filed October 30, 2003) will have been supplied to the U.S. Patent Office pursuant to Rule 17 of the PCT Regulations. It is therefore respectfully requested that the first Official Action in the present application contain an indication that the appropriate priority document is in the file of this application.

U.S. National Phase of PCT/KR03/02336  
Preliminary Amendment dated: May 16, 2005

In view of the above amendments, an early action on the application is now in order and is most respectfully requested.

Respectfully submitted,
